

# Murder in Carnuntum

**Bilingual Junior High School Class 2E**

On his way home, Ballomar meets his brother, Katwalda...

I hope Julia has got home safely..

Watch where you're going!

Oh, it's you!  
Where were you?  
Mother was worried.  
You should have helped her with dinner!

But the legionnaires find Julia...

Oh, these Romans!

Back at home, Julia tries to tell her parents about the legionnaires' plan...

Three of Marc Aurel's legionnaires want to kill him.

Ballomar and I heard them! ...Oops!

Did she say Ballomar?

Later, Julia tries to tell her mother...

Julia talks to her slave, Nubia...

My parents don't believe me!

Ballomar talks to his mother...

Mum, I will go to Carnuntum!!

Dad and Mark Aurel were friends, weren't they?

Yes, but I don't want to speak about that!

Meanwhile, Julia is on her way home from school with her slave, Artifex...

Let us go through the tradesmen's quarter.

Okay, just this once...

Ahhh!

We killed him!

The legionnaires take Julia to a hut and tie her up, but Cicatrix wants to let her go...

Help!

And now we have you!

I will help you to get free.

But Brutus hears him...

Ahhh!

You traitor!  
We were friends, but now I must kill you!

But Brutus loses his Legionnaire's emblem...

Meanwhile, Julia's father receives a ransome note...

Oh no!  
My daughter!

Look what they did to Cicatrix.

What's this?

There you are!

There is something wrong with this letter, but what is it?

...and Ballomar and Vannius find Cicatrix.

Ballomar finds Julia and releases her...

What did they do to you?

Nubia has an idea...

A Roman wrote that!

And so Julia and her dad go to see Marc Aurel...

Your legionnaires want to kill you!

I'm shocked! These traitors!

It was his idea!

What is the meaning of this?

They got me!

Things look bad for Brutus...
